ACT HEALTH FAIR

Arizona Coalition for Tomorrow (ACT) is an organization of business and civic leaders dedicated to the improvement of the quality of life in Arizona. ACT's annual Health Fair provides inoculation and health screenings to three and four-year-olds who's families may not be privileged enough to have insurance. Join professionals as well as AuD students and your fellow undergraduate students as we provide hearing screenings to the participants in ACT. This is also a great way to network with professionals, as well as get NSSLHA at ASU active in the community! The fair will be on **SEPTEMBER 30th**, from 7:30am – 3:30pm at Phoenix Civic Plaza. Only those who can be there all day should sign up. Registration forms will be available at the first NSSLHA meeting, or from Ingrid McBride, room 2356. Applications are due by **September 18th** so that T-Shirts can be ordered. Please let Melissa Ullman know if you would be interested in a carpool system or need any additional information.
